# INTRODUCTION

## TOM MORTON, WILTSHIRE CRICKET HEAD OF TALENT PATHWAY AND BOYS TEAM COACH

As we look ahead to another Wiltshire CCC tour to Sri Lanka, it fills me with a great sense of excitement and pride. The opportunity to play cricket and experience life in Sri Lanka is a fitting way to recognise and celebrate the boys' and girls' journeys within the Wiltshire pathway. These tours are an important part of our pathway offering and are something we place real value on because of the clear benefits we see — not only in cricketing development, but also in confidence, friendships and wider personal growth.

Sri Lanka has so much to offer, from stunning landscapes and incredible food to world-class beaches. Lions Sports Travel bring a wealth of experience and knowledge of the country, allowing us to fully immerse ourselves in everything Sri Lanka has to offer. I am confident they will once again deliver an outstanding experience, as they have on previous tours.

I encourage all the boys and girls to fully embrace this opportunity. Take on the challenges the cricket will present, focus less on results or individual scores, and more on learning, developing, and returning home as better cricketers. Throughout the tour, it is important to remain grateful for the opportunity and to conduct yourselves in a way that reflects positively on both yourselves and Wiltshire Cricket.

Finally, I would like to thank the parents for their support in making this tour possible. We recognise the significant commitment involved, and the boys and girls are incredibly fortunate to have the opportunity and the backing to experience something so special.

# INTRODUCTION

## SAM DENT, WILTSHIRE CRICKET DEVELOPMENT MANAGER AND GIRLS COACH

### A LOOK AHEAD TO TOUR:

Ayubowan!

The 2026 tour comes at a hugely exciting time for Women's & Girls Cricket. With a recent restructure of the Women's domestic competition in the UK in 2025 and soon to be a Women's T20 World Cup in England in 2026 – there has never been a better time to be involved with Women's & Girls' Cricket. For the first time in cricket's history, being a professional female cricketer in the UK is a big possibility! As a player within the County pathway, and as a member of this year's touring party, you'll be closer than ever to professional cricket – an opportunity to experience an overseas tour and a chance to develop your skills on and off the field that will stay with you for life, whether as a full-time cricketer or into any other lifestyle – this tour comes at a brilliant time for you – your experience of Sri Lanka will be independent to you, despite being part of a brilliant team, so we fully encourage you to take every opportunity and embrace the wonderful country of Sri Lanka!

From a cricket perspective, our ambition on tour is to create opportunities for every player to experience the Sri Lankan conditions in your primary and secondary skills. We aim to create as many chances to learn and explore your skills, whilst also experiencing a good level of challenge that will set us up superbly for the 2026 season in the UK. We therefore encourage you all to ask plenty of questions, learn from opposition players and apply all of the skills that you've been working hard on during the winter! In addition to the cricket, the opportunities we have off the field will also be an opportunity to learn, explore and experience a new culture, make new friends and gain valuable skills that you can transfer to not only cricket, but wider life – school, careers, networks and much more!

The Sri Lanka tour is an incredible experience, but it is also a challenge, both physically and mentally...

A huge part of what makes this tour so fantastic, is the team environment that you are in with your team mates and coaches! Throughout the tour, your team will make the experience really special, and so as you always do, support one another, ask questions, help each of your team mates and create a tour that you will remember fondly for a long time to come.

Throughout the tour, your coaches, Sam & Lois will be with you every step of the way and will be aiming to make this the best Sri Lankan tour to date! We are also joined by two brilliant people in James & Nick, who will be supporting the team throughout the tour – we hope you are as excited as we are!

Finally, I'd just like to take this opportunity, on behalf of Wiltshire Cricket and all of the players to thank our very generous parents, supporters and sponsors who have kindly made this tour possible for the players! Whether you are joining us on tour, or staying up to date with activities from the UK – we'd like to extend our thanks to you and recognise the incredible opportunity that you have provided for the girls – thank you!

# COACH PROFILES

## COACH PROFILE

## BOYS

Tom Morton

### COACHING BIO

Since 2006, I've had the pleasure of playing for Wiltshire's 1st XI and gradually transitioning into coaching during my later playing years. I've also been fortunate to hold coaching roles within the Hampshire CCC pathway and professional squad, the Middlesex CCC pathway, Southern Vipers, and Solent University. My playing background mainly consisted of competing in the Southern Premier League for South Wilts CC. I was proud to represent Hampshire 2nd XI and even had the special opportunity to play a match for New Zealand. I recently made my England over-40s debut this summer, which is a goal of mine moving forward.

### HOPES FOR THE TOUR

I truly hope the boys enjoy this tour as much as they have in past groups. I want them to embrace the challenge of playing in new conditions, make the most of cultural adventures on days off, and forge friendships both on and off the field. It's so important that they play with a good spirit and proudly represent the white horse of Wiltshire CCC.

### FAVOURITE CRICKET MEMORY

Scoring a 100 at Lords

### FAVOURITE CRICKETER

Joe Root

### OTHER INTERESTS

Surfing, Triathlon, Padel & holidays with my wife and two boys.

## COACH PROFILE

## BOYS

Aled Evans

### COACHING BIO

I played for and captained my district cricket side all through my junior cricket career in Wiltshire. After finishing junior cricket, I decided to dive into coaching at 16 completing my UKCC1 in 2012 I then went onto study Sport & PE at Cardiff Met University where I completed my UKCC Level 2 in 2015 as part of my degree. I joined Wiltshire Cricket in the summer of 2019 and helped out with some of the Wiltshire women's team games, taking on a permanent coaching role with the team and U18 girls squad the following year. I have now been working with the women and girls side of the pathway for 5 years and it has been unbelievably rewarding to see the growth we have had.

### HOPES FOR THE TOUR

I am hoping to see the young cricketers experience something they may not have before in a potentially new country and culture. Also hope that we play some good cricket and everyone comes away proud with what they have achieved whether that be on or off the pitch.

### FAVOURITE CRICKET MEMORY

Scoring my first adult 50 with my dad at the other end and winning the game for my team. Also watching my Dad score a 100 in the same team as me, it was a very proud moment.

### FAVOURITE CRICKETER

Freddie Flintoff

### OTHER INTERESTS

I love playing sport so if it isn't cricket it is golf, hockey or anything else that gets me active. I also love doing stuff so either being in the garden or in my woodworking shed making stuff, if anyone says DIY I will be there to help.

## COACH PROFILE

## GIRLS

Sam Dent

### COACHING BIO

I've been fortunate to have been coaching cricket since I was about 16, and have been in my role with the Women's & Girls' pathway for the last 5 years, which has been a fantastic experience with brilliant players and colleagues. During my time with Wiltshire, I've also achieved my ECB Advanced Coach qualification (level 3) and had the opportunity to support coaching at Western Storm & more recently the Glamorgan EPP.

As a player, I'm a wicket-keeper batter for Hatherley & Reddings CC in WEPL Premier Two, and have also been lucky enough to have toured Sri Lanka as both a coach and player in recent years – I'm sure this 2026 tour will be the best yet!

### HOPES FOR THE TOUR

Sri Lanka is an incredible county with the most friendly people, delicious food and exciting cricket! The tour promises to have a packed itinerary, full of cricket and memorable experiences. As a coach, my hope is that we will have the opportunity to showcase our skills, experience challenging conditions, thrive in varied match scenarios and learn from the skilful oppositions that we'll come against. I would also encourage everyone to embrace Sri Lankan culture, meet new people, try new foods and enjoy each moment of Sri Lanka and what it has to offer!

### FAVOURITE CRICKET MEMORY

So many memories from previous Sri Lankan tours, but one highlight was a game of "street cricket" with a local school in Kandy. The other off-field memory – TopGolf & Darts with Rashid Khan, Menhaj (Afghanistan Team Operations Manager) & Lois in Dubai.

### FAVOURITE CRICKETER

Rashid Khan – our next game is Padel...

### OTHER INTERESTS

Other Sport & travelling – Golf, Skiing, Padel, Running and travelling around the world.

## COACH PROFILE

## GIRLS

Lois Wright

### COACHING BIO

ECB Advanced Coach - I'm the only female in the county to hold this title and it's something I'm extremely proud of. I've coached on the county pathway for over a decade and there are some players on this tour that I've known/coached since they started playing for Wiltshire! My coaching varies from aspiring professionals on Glamorgan's EPP to new u9s at Devizes CC, my club.

### HOPES FOR THE TOUR

Everything about our Wiltshire tour is amazing, I'm so excited to take a new squad out to Sri Lanka. The biggest hope for me is for learning to take place due to being exposed to challenging situations. For a lot of the girls this might be the only time they play abroad and there's nothing quite like the games, training and overall experience out there. Coming home with the second half of the winter programme still remaining means we get to explore the new skills we've discovered and continue to execute those we've been working towards.

### FAVOURITE CRICKET MEMORY

I don't have one stand out memory within cricket - I've played, coached and spectated a lot of cricket! However, seeing Wood and Woakes score the winning runs at Headingley during the 2023 Ashes was pretty special.

### FAVOURITE CRICKETER

Controversially, the Australian couple of Starc and Healy for me - they're both just on another level in their respective teams.

### OTHER INTERESTS

When it's not raining I love exploring with Temba and Kohli (the labradors), quizzing, game nights, watching sports and travelling keep me busy too.

## COACH PROFILE

## GIRLS

James Shadwell

### HOPES FOR THE TOUR

I'm looking forward to working with Sri Lankan scorers and umpires and looking forward to some good cricket somewhere totally new to me.

### COACHING BIO

My playing career was as an opening batter and latterly as an occasional wicket keeper. I'd always scored when I was playing but moved to scoring full time after an injury and I love it. I score for Potterne Men's 1sts and Wiltshire Women most regularly. I've also scored a lot of junior cricket for various Potterne age groups.

### FAVOURITE CRICKET MEMORY

Towards the end of the curious Covid season I scored a century in front of my parents for the first time in a match where I opened the batting and my son opened the bowling for Potterne 4ths at The Grove. That was quite special.

### FAVOURITE CRICKETER

My idol growing up as a Hampshire fan was Robin Smith.

### OTHER INTERESTS

My day job is as a software engineer and I love writing software. I also enjoy reading, american football and cryptic crosswords. I'd rather be scoring than anything else though!

## COACH PROFILE

## GIRLS

Nick Verspeak

### COACHING BIO

Nick is bringing a wealth of knowledge and experience to the 2026 tour. He has been alongside Sam and Lois, 'the dream team' for a few seasons now. The Women's XI have got to know him and his post-match interviews, which is something he is excited to do for us on tour. His analysis, personality and excitement for his maiden Wiltshire tour (and his first time in Sri Lanka) will provide invaluable reflections both for and about the matches. He is hoping the bowlers can acclimatise quickly, to perform at the level they're capable of, however during tough spells his calming presence and reassuring words will be much needed.

### FAVOURITE CRICKET MEMORY

RCB finally winning the IPL last year was a sigh of relief, especially with the Kohli the dog being named after the skipper!

### FAVOURITE CRICKETER

A fellow seamer and Dutchman, Nick's favourite cricketer is Ryan Ten Doeschate.

**TOGETHER, YOU ARE MAKING A DIFFERENCE!**

THANK YOU AGAIN FOR SUPPORTING CHILDREN IN SRI LANKA WITH THE OPPORTUNITY TO PLAY CRICKET; THE SPORT THEY LOVE THE MOST WITH SAFE & APPROPRIATE KIT!

### Helping Hands

PRANAV Foundation has organised a kit donation event during the Wiltshire Cricket Tour to Sri Lanka in February 2026. The Wiltshire players will have the opportunity to present the sports equipment in person to some of the exceptionally talented, less fortunate local players from the South Western region of the Island.

### During the Tour...

To further this cause, Wiltshire Cricket will be actively stepping up fund raising efforts in support of academic scholarships & improving local playing facilities. This valiant effort will pave the way for many more children to continue playing whilst also being financially supported towards their education. Wiltshire Cricket has been one of the leading supporters of Pranav Foundation during previous tours and we are very appreciative of your support to continue these efforts! Thank you!
